Post - facto approval on the following :

The Director, CIIL has been authorized to decide on the inclusion of Little Magazines in consultation with the concerned members, wherever necessary. The decisions may be reported in the next meeting of the Grant-in-Aid Committee. Therefore, the Director decided to give grant for the following in anticipation of the approval of the committee.

Visva-Bharati University, Santiniketana, West Bengal - Maintenance case.

Waiving of grant given to Smt. Singaramma :

Smt. Singaramma was given a Publication Grant of Rs.19,400/- in the year 2004-05 as first instalment to publish her manuscript entitled "Agama Shastra" (Vykanasa & Pancharathra) in Kannada. She had started the work and suddenly she expired. We have received her Death Certificate. She has no dependents from whom the Institute can recover

the grant given to her. The Institute can neither get the Utilization Certificate for the grant given to her nor get back the amount. Under these circumstances the case is put up before the Committee to waive off the grant given to Smt. Singaramma.

Purchase of Books from Sahitya Academy, Katha, MR.AR. Educational Society :

The Grant-in-Aid Head and the Director, CIIL were authorized to purchase books at the end of the financial year depending on the savings. This will be reported to the members in the next committee meeting. Under this category the books from Sahitya Academy, KATHA, Draupadi Verlag and MR. AR. Educational Society.

The 18th Grant-in-Aid Committee recommended that the Grant-in-Aid committee should promote translation activity. To begin with, the Institute has thought of buying translated books from agencies like Sahitya Akademi, National Book Trust, KATHA, Vani and such other agencies to distribute them to the libraries to which we are sending the books purchased under bulk purchase scheme. These libraries will usually have no opportunity to buy such high quality of books of translations, and the agencies like the Akademi and the NBT would not apply for bulk purchase case either. I hope you have no objection to this proposal. It is obvious that the translated books to be procured will be booked under those languages that are under CIIL's purview. There is one more proposal that will fall within the category of promotion to translation activities from Indian languages. The MR.AR. Educational Society, Chennai had sent us a proposal dated 14 December 2006, under which they stated that the Society had been promoting such translation activities and had entered into an arrangement with Macmillan to publish 29 English translation of impeccable quality of the best-known books in Malayalam (4), Tamil (4), Kannada (13), Bangla (2), Gujarati (3), Oriya (3), Punjabi (2), Marathi (2),

Telugu (1), Hindi (2), Urdu (1). The Society provided 100% funding (Rs.25 lakhs) for the production of these translations and books, and Macmillan was expected to promote these translations and the cause of translations as well as share 45% of sales proceeds. The remaining 45% would go to the society and 10% to be shared equally between the authors and translators. The series was not promoted much and the books - printed in smaller quantity have been returned to the Society. Macmillan has also agreed to hand over their entire series to some other agency who may publish the same, and all authors/translators have also expressed willingness to this Institute, should we agree to take this up. This will involve a one-time payment of Rs.15 lakhs from the GIA (CIIL) to the Society for transference of absolute translation and publication rights as well as all rights that one could think of on all these texts, provided that the authors and translators are also paid 5% each of the price of this new publication. It is our proposal to acquire these rights and treat them also like the Katha Bharati Project of the Institute under which we were expected to fund translations pay for translation rights and bring out 100 classics of our contemporary period from Indian languages to English, etc. There we have finalized only 66 books so far and the review/referring process are going on for about a dozen volumes now. In the same pattern, we could acquire these rights by paying off the MR.AR. Educational Society, the authors or their heirs (the list included Shirshendu Mukhopadhyay, Harindra Dave, Abdul Bismillah, U.R. Ananthamurthy, Matampu, Kunjukuttan, Sethu, Ganeswar Mishra, Gopinath Mohanty, Gurdial Singh, Chudamani Raghavan, Rajam Krishnan, Ashapura Debi, Kanji Patel, N P Mohamed, MT Vasudevan Nair, Bhalchandra Nemade, Neela Padmanabhan, G.V. Krishna Rao, Krithika, Rajee Seth, Kesava Reddy, Dalip Kaur Tiwana, Suresh Joshi, Srikrishna Alanahally, Manoj Das, Abdus Samad, Sara Abubakar and Udhav Shelke), and the translators many of whom have been associated with us as well as the top literary institutions in the country.

An amount of Rs. 15 lakhs for rights plus 10% of the value of the edition is involved in promoting the cause of translation.

Sri Jose Punnampambil : The Committee has recommended to purchase 100 copies of the books. But since there was only four books involved, the Institute decided to purchase 150 copies of the books.
