Work Description

Empanelment Announcement Translators and Content Creators required in 270 mother tongues of India

Last updated 10 February, 2024

Translators are required to work on the translation and localization related tasks in multiple Indian languages (See the list of Languages).

This is a long term and remote workshop mode engagement during which translators/content creators would be assigned translation or other related tasks to complete during a given time frame.

Qualifications

- 1. Candidates having any degree or certificate are eligible.
- 2. Candidates having MA or higher degrees are given preference over others.
- 3. Candidates must know their language thoroughly, including typing them on computer.
- 4. Given that mother tongues are also being covered that are not taught anywhere in any educational system, the above relaxations are given to also collect data from less educated or people educated otherwise. These relaxations may not be applied to all languages and languages which are supported in higher education system within India.

Skill Sets Required

- 1. Experts/Translators/Content Creators need to know their language thoroughly and be a native speaker of the language.
- 2. Candidates must know how to work on computer/laptop.
- 3. Candidates must have a laptop or computer with an internet connection.

Selection Criteria

Shortlisted candidates will be assigned a small task to complete. Once the task is completed by the candidate, their work would be reviewed by another expert or a team of experts. After the task is considered as satisfactory, they may expect more tasks being assigned to them.

People already engaged in CIIL in any of the existing projects/tasks/workshops etc are not eligible to work on this project. Or even if they work, they cannot claim remuneration against this work if they are already getting remuneration from any other project.

Availibility of Tasks

Work is allotted to approved list of experts/freelancers who have been reviewed by the other experts/reviewers and approved by the competent authority. This is no way a regular job offer. Payments/Remunerations made are against the specific task completed by the respective resource persons/experts/contributors.

Payments

Payments are made to the resource persons based on their qualification and a daily throughput rate.

Resource Persons having a Masters Degree are paid a sum of Rs. 1000/- per working day and those having PhD are eligible to receive an amount of Rs. 1500 per working day.

Throughput Rates

The throughput rates are defined language wise. For example, for translations from English to Hindi language pair, the throughput rate could be 1000 words per day for MA holding candidates and for PhD holders, it is 1500 per working day, subject to a maximum of Rs. 26,000/- month for MA holders and Rs. 39,000/- per month for PhD holders. This throughput rate may also change depending upon the type of the task, language pairs and a few other justifiable factors. For example, for a word list or a dictionary item task, the throughput may be different and may be fixed by concerned language resource person in consultation with the Officer in-Charge. Candidates having bachelor's or lower degrees/certificates may also be given a sum of Rs. 1000/- per working day if their output is satisfactory.

Each Resource person is assigned a Project Manager (an internal staff at CIIL). Project Managers are responsible for ensuring that the names of the resource persons working on the given languages are approved by the Director and the are really the native speakers of the language to which they are contributing.

Payment Terms

Payments are processed on a monthly basis with a buffer period of around a month. So, if a task or set of tasks are completed in a month, their remuneration is processed over the next month and may be credited to the worker's account any time in the third week of the ensuing month. However, due to some administrative exigencies, it may take some longer time to process it all. If a payment is delayed, one may contact the concerned linguistic project manager for an update. Workers should avoid unsolicited calls and emails to authorities not concerned with the project.

Place of Work

All work will take place virtually on a suitable work platform provided. The translators/content creators may require some training while working on the portal. This would be provided by the concerned language project managers. No payment would be made for the training provided. However, if the person completes the training and the work completed by them are satisfactory and reviewed as such by the reviewer(s), the work done by them during the training period will be considered as paid work.

How to Apply

Candidates may apply by creating a profile at https://apply.ciil.org and applying against the Freelance Language Experts position.

Queries

Resource Persons already working under the project may send their queries, if any, to the concerned language project managers.

For general queries, questions may be sent to Dr. Narayan Choudhary at oic-ldcil@gov.in

List of Languages/Mother Tongues (as per Census Report 2011)
