ABOUT OURSELVES

This publication fulfils the long felt need for providing information about various schemes/programmes of Grant-In-Aid being implemented by the Central Institute of Indian Languages, Mysore. This provides brief information about the objective, purpose, eligibility and funding pattern of various Grant-In-Aid schemes of the Institute. Most of these schemes are being implemented through the individuals and NGOs. Brief Report of 25th GIAC Meeting

The 25th GIAC Meeting, which was held on 20th– 21st January, 2010 at CIIL Mysore chaired by Dr. (Mrs.) Anita Bhatnagar – Jain, Joint Secretary (L & Admn.). The Chairperson Dr. (Mrs.) Anita Bhatnagar – Jain welcomed the house. In her welcome speech, the Chairperson expressed her views on the cases for which the responses of the applicants have not been received in spite of the fact that their books have been recommended in the GIAC Meeting. She opined that the one month time extension can be given to such applicants and if they do not respond, it may be informed to them that consideration for their future request for assistance will be cancelled for 2+2=4 years in case of bulk purchase of books and manuscript in order to save time and energy. Talking about the various developments and activities of GIAC, the Chairperson stated that presently, books are being sent twice to NBT for cost estimation and price fixation and this should be amended so as to sent once at a time. This may be verified from the Sanskrit Sansthan.

1. It has been observed during the Meeting that for past 10 years some languages/States are given more grants and some languages / states are given less grant or dismal. To keep the limit of such grant, it has been decided to restrict the grant to the extent of 10 % in a language/state during a financial year.
2. When the Language Expert is unable to attend GIAC Meeting due to unavoidable circumstance, Director may request some faculty with the same background for taking quick decision or the cases of all schemes be sent to the language Expert for review.
3. Other points were also taken for discussion including Agenda and Action Taken Report of 23rd and 24th GIAC Meetings.

The Chairperson Dr. (Mrs.) Anita Bhatnagar Jain thanked all the Committee Members profusely for laboring so much and accomplishing a lot within a very short span of time to take very efficient, correct and ethical decisions. She also requested the Members to give a feedback about Non-scheduled languages whether primary teaching is being given in their respective States.

Director, Prof. Rajesh Sachdeva thanked the Chairperson and the Members of the Committee.
